

## SEMANA 2 Yasmine Macedo Reza

### Actividad 1. Formulario

El picker se selecciona con el touch.

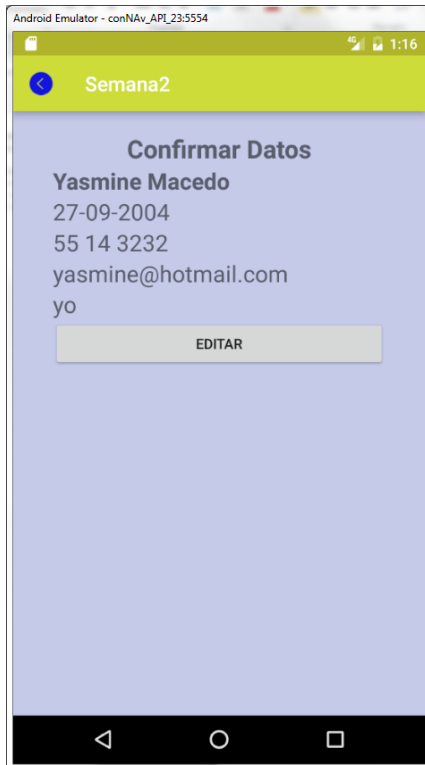

The screenshot shows the 'Semana2' app interface. At the top is a yellow header with the text 'Semana2'. Below the header is a form with the following elements: a text input field labeled 'Introduce el nombre', a date picker labeled 'Fecha de nacimiento:' showing 'Sep 16 2015', another text input field labeled 'Introduce el teléfono', a third text input field labeled 'Introduce el email', and a fourth text input field labeled 'Descripción del contacto'. At the bottom of the form is a grey button labeled 'SIGUIENTE.'. The Android emulator status bar at the top shows the time as 1:21.

Se introduce la información

The screenshot shows the 'Semana2' app interface with the form filled out. The text input fields now contain: 'Yasmine Macedo' for the name, '55 14 3232' for the phone number, 'yasmine@hotmail.com' for the email, and 'yo' for the description. The date picker still shows 'Sep 16 2015'. The grey button at the bottom is still labeled 'SIGUIENTE.'. The Android emulator status bar at the top shows the time as 1:16.

## Actividad 2. Confirmación de los Datos
